

**Keep Sedona Beautiful President Tom O'Halleran Discusses
"Knowledge Flows into Action: Sustaining Our Watershed Into the Future"
At Wednesday, February 13 Speaker Series**

As Robert Louis Stevenson, novelist, essayist, and poet (1850-1894) once said, "Everybody, sooner or later, sits down to a banquet of consequences." At the next Speaker Series presentation on Wednesday, February 13, KSB president Tom O'Halleran will explore what we can do to ensure that the Sedona/Verde Valley banquet of water will still be around in 2050 with a talk entitled "*Knowledge Flows Into Action: Sustaining Our Watershed Into the Future*". The evening will begin at 5:30 pm, with complimentary offerings of appetizers donated by El Rincon Restaurante Mexicano and wine provided by KSB. The presentation will begin at 5:45 pm.

Join Keep Sedona Beautiful members and friends to discover what actions we can take to preserve and protect our groundwater supply from now and into the future. Unless you have surface water rights, such as rights for irrigation, or you harvest rainwater, the water you use for all household and landscape needs comes from groundwater. It is our groundwater that enables us to live in this stunning high-desert environment. Understanding the important role of groundwater empowers everyone to comprehend their interrelationship with this natural resource, its finite supply and the steps necessary to preserve it.

Keep Sedona Beautiful welcomes the community and visitors alike to its free monthly *Preserving the Wonder*™ Speaker Series, which takes place at its historic Pushmataha Center on 360 Brewer Road in Sedona. Please note that the Speaker Series is now held the second Wednesday each month from September to June, beginning at 5:30 pm with wine and refreshments. The series presents an interesting diversity of programs relevant to the unique environment of our region. Keep Sedona Beautiful, Inc. is a nonprofit organization that, by acting through the stewardship of its members and volunteers, is committed to protecting and sustaining the unique scenic beauty and natural environment of the Greater Sedona Area. For more information about Keep Sedona Beautiful, please call 928.282.4938, or visit <http://www.keeppedonabeautiful.org/>.
