Dear KSB Friends,

Although my two-year term as President is coming to an end, I will continue to serve as Executive Vice President and as an active board member.

These past two years have been extraordinarily rewarding for me, particularly having the opportunity to work closely with so many of you who are concerned enough about Sedona to commit your time, effort, and resources to keep Sedona beautiful.

As I reflect back, I am reminded of the tremendous value that our ongoing programs provide:

- 70 miles of our roads kept clean by our dedicated corps of litter lifters,
- Our community is informed and educated each year at our Native Plant Workshop and at our Speaker Series lectures, and
- Sedona's dark skies are protected in part through our outreach efforts to the Verde Valley's communities, businesses and residents.

I also look back with pride on the initiatives we have undertaken:

- Partnering with the City to begin addressing the issue of helicopter noise,
- Providing input to the Forest Service on their proposed Coconino Forest Plan,
- Assisting the City as it reached out to the community to determine how best to address traffic problems, and

- Providing comments to the City on its wireless communications plan.

Additionally, I am proud of the support that KSB provides to the Sedona Trail Keepers program to maintain, improve and protect the extensive system of trails we enjoy.

**Please, will you consider adding us
to your year-end giving plans?**

Donations from individuals supply 65% of our total financial needs. We'd appreciate your remembering us as you plan your year-end giving. Below you may make a donation online.

Thank you all for supporting our efforts to preserve and protect our beautiful Sedona!

Sincerely,
Joanne Kendrick
KSB President
