***Dear KSB Friends,***

## **Help Plan our 2020 KSB Native Plant Workshop**

Once our successful April 6, 2019 Native Plant Workshop goes into the history book, our most popular community educational series starts right up again with the planning for 2020.

After 10 years of outstanding work and dedication, the outgoing chair of the Native Plant Workshop has retired. We are seeking a new chairperson and additional volunteers to assist with the venue, arrangements and speaker program. Don't worry, we are well organized thanks to the outgoing chair and committee members who are willing to be on hand to advise.

**Are you inspired to help put it together for 2020?**

You can be part of this rewarding experience and contribution to the community as we foster greater use of native plants while teaching high desert landscape and water conserving techniques.
