Dear KSB Friends,

Help Update the Yavapai County Comprehensive Plan

Yavapai County will soon be starting work on revisions to the County Comprehensive Plan, as required by the Arizona Revised Statutes. The Comprehensive Plan guides decisions by the county on key issues such as rezoning, land use and water use. The updated Plan will provide a way to help ensure that critical factors are considered: density, environmental impact, impact on limited resources, sustainability and limits to growth, to name just a few.

If you would like to participate in this process, please let us know by emailing us at ksb@keepsedonabeautiful.org. As the process unfolds, we will contact you to solicit your input on what you believe should be emphasized in the updated Plan.
